Feeding Bodies. Fueling Minds.™

**Introductions:
Can you tell us about
yourself and organization?**

How do nutrition and healthy eating fit into your work, and how is dairy included?

Health & Wellness Thought Leader Panel

**Are there program results
or accomplishments that
were supported by dairy?**

**What are some of the
biggest challenges you
face in each of your
respective programs?**

What's next for your program, and what other opportunities do you see to engage with the dairy community in your work?
